3 Abstract 4 HTML

Test of Theses page

1. "Browse Research Publications" text muyisimbuzze "Browse Theses and Final Year Projects". "Explore peer-reviewed theses and dissertations from Rwanda academic community" text muyisimbuzze "Explore theses and Final Year Projects (FYP) from Rwandan-based Universities and Rwandans who studied in foreign universities". Kuri figure iri hasi ahanditse "Theses" Mwongere font size. "Dissertations" muyisimbuzze "FYP". Search box ya Thesis page ntikora. No gukora upload ya Thesis ntibikunda. Izirimo se zagezemo gute?

Browse Research Publications

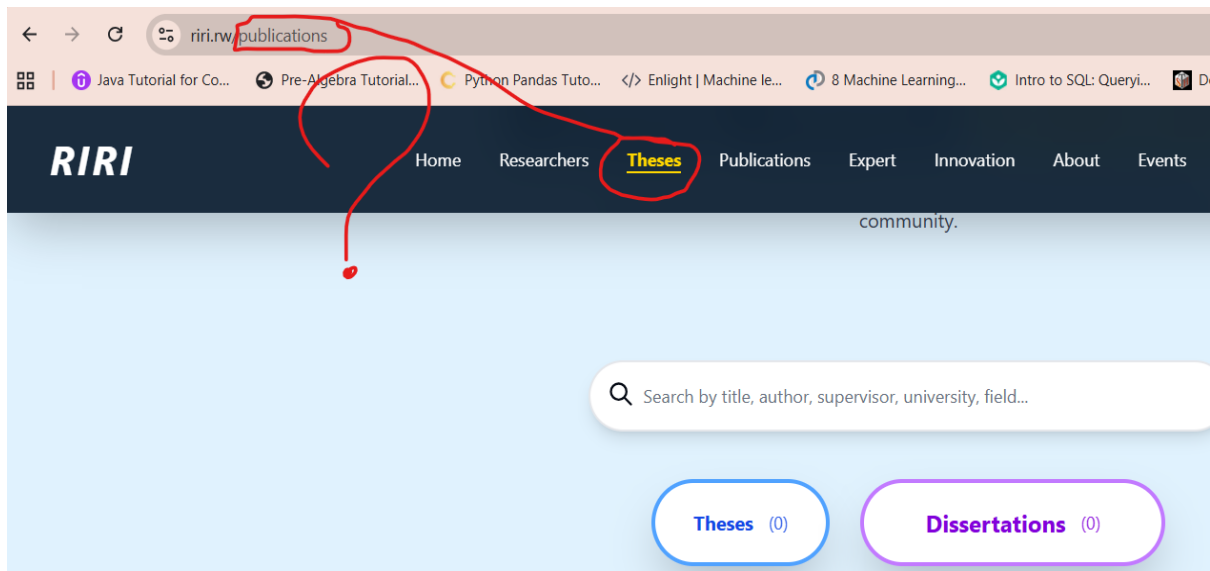

Explore peer-reviewed theses and dissertations from Rwanda academic community.

🔍 Search by title, author, supervisor, university, field...

Theses (0)

Dissertations (0)

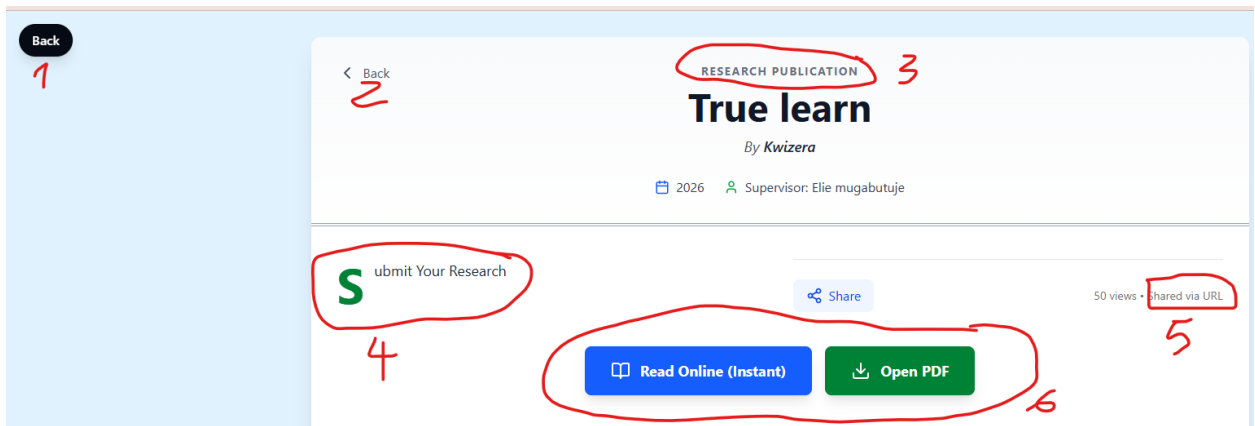

2. Kubera iki Theses menu Atari yo resource igaragara kuri URI?

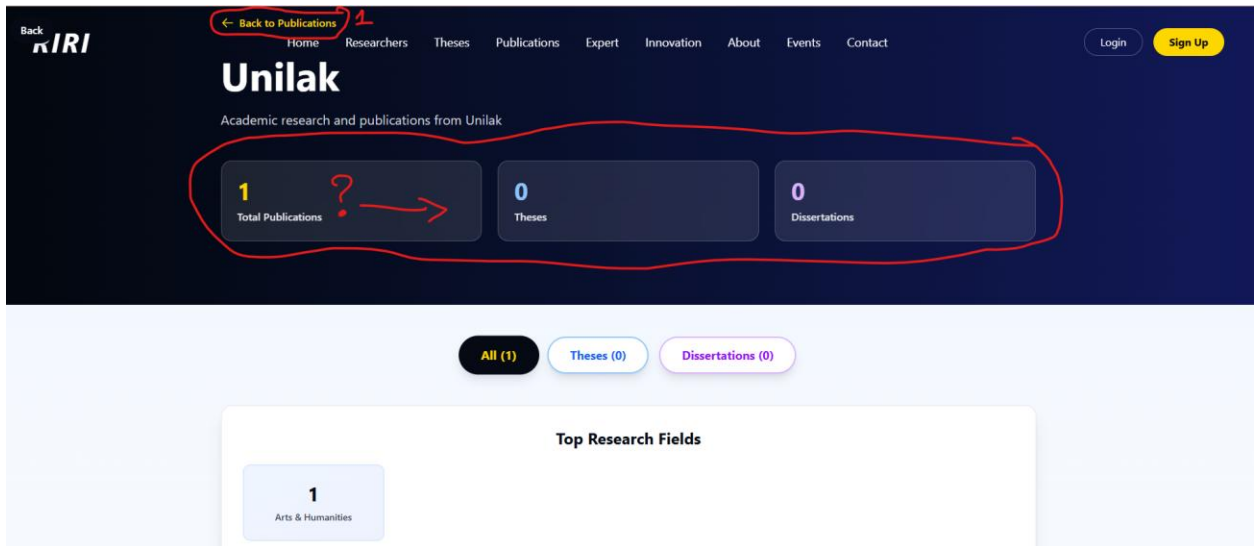

3. Remove underscores. Remove “Submit your research” and “publication”

4. 1, 2 and 3 must be remove. 4 iri useless. 5 does not count when you share. 6 both functions are not working.

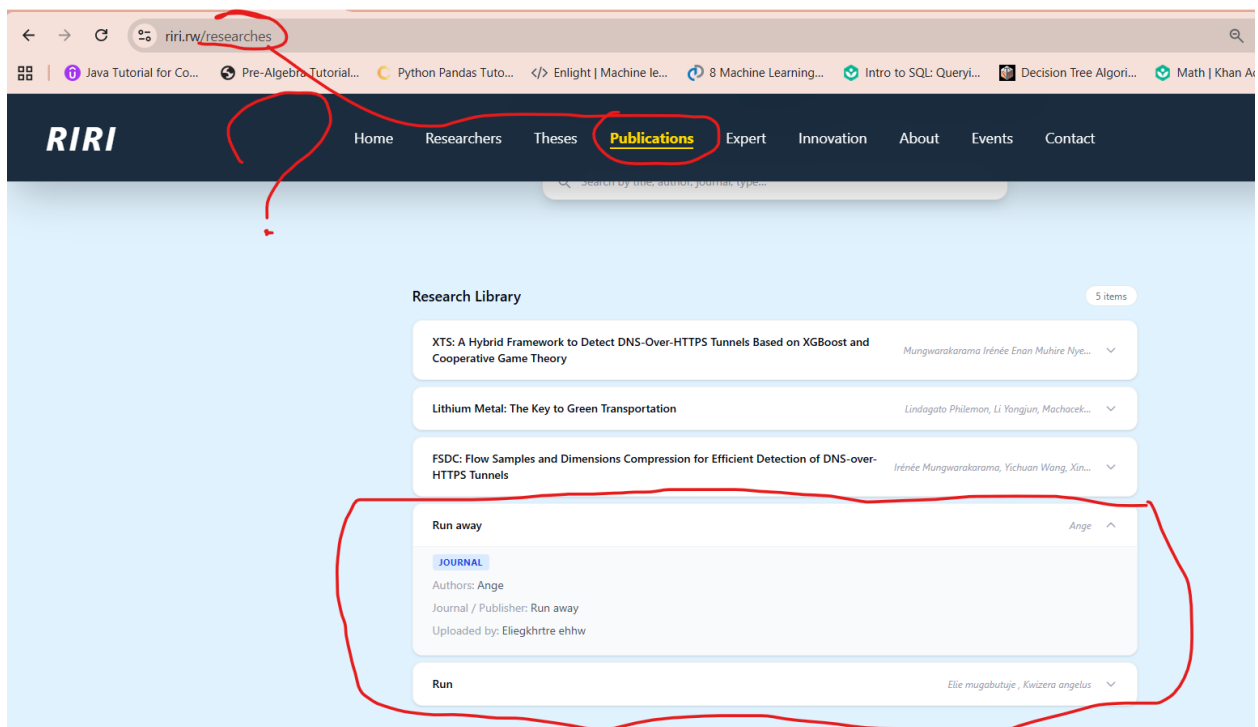

5. 1 Remove. Menu also removes. Where does the number 1 count come from when both theses and dissertations are 0?

Test of Publications page

1. Hari publication yongewe mo na researcher ariko ntiyagaragara muri publications. Kandi publications zigomba kuba ari research papers not theses or FYP.

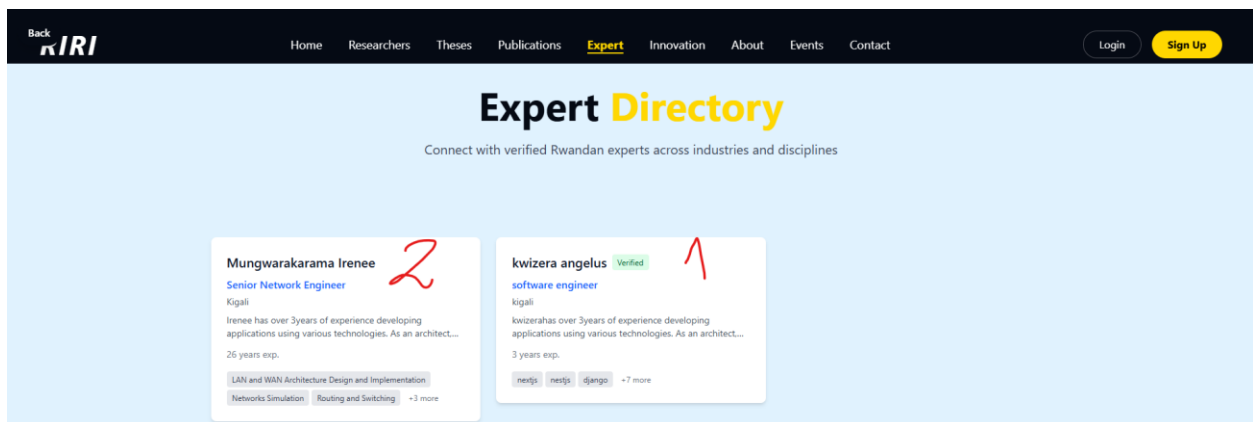

Test of Experts page

1. Iyo uzamuye iyi page ya Experts inyura hagati ya signup na menu and logo layer. Ni ikibazo kuko ibanza kubihisha mbere y'uko byongera kugaragara. Yakabaye izamukira inyuma ya menu and logo layer. Mukibuka ko kariya kajambo ka "Back" katagomba kubaho.

2. Muri iyi screenshot yo hasi hari aba experts babiri. Umwe (1) ari verified, undi (2) ntabwo ari verified. Ubu buryo bwuko bose baba displayed kandi badahuje status ni sawa rwose, gusa ikibazo ni uko ari Admin ubuzuzamo. Kaba ari akazi kenshi ka Admin kadacyenewe. Ubushize iyi function nayisobanuriye Elie yari yambwiye ko yumvise aho itandukaniye n' icyo twari twise Experts mbere ariko mubwira ko cyo tutarakibonera inyito. Reka Expert azajye yikorera Account anishyiriremo biriya byose noneho Admin asigarane rights zo kuba yakora **verify** na delete **gusa**. Bivuze ko uwo Admin averifie ari we uzajya aba afite "verified" status. Ikindi, murabona hadacyenewe search kuri iyi page? Igihe se twaba dushaka urugero software engineers twabakura hehe? Dushobora kubikora mu uburyo 3: (1) Search by profession. (2) Kuba twa clicka kuri profession for example "Software engineer" hagahita haza all software engineers. (3) kuba twakoresheye filter by function (gusa iyi yo yaba igoye kuko twaba dufite mo professions nyinshi). 1 and 2 are just fine.

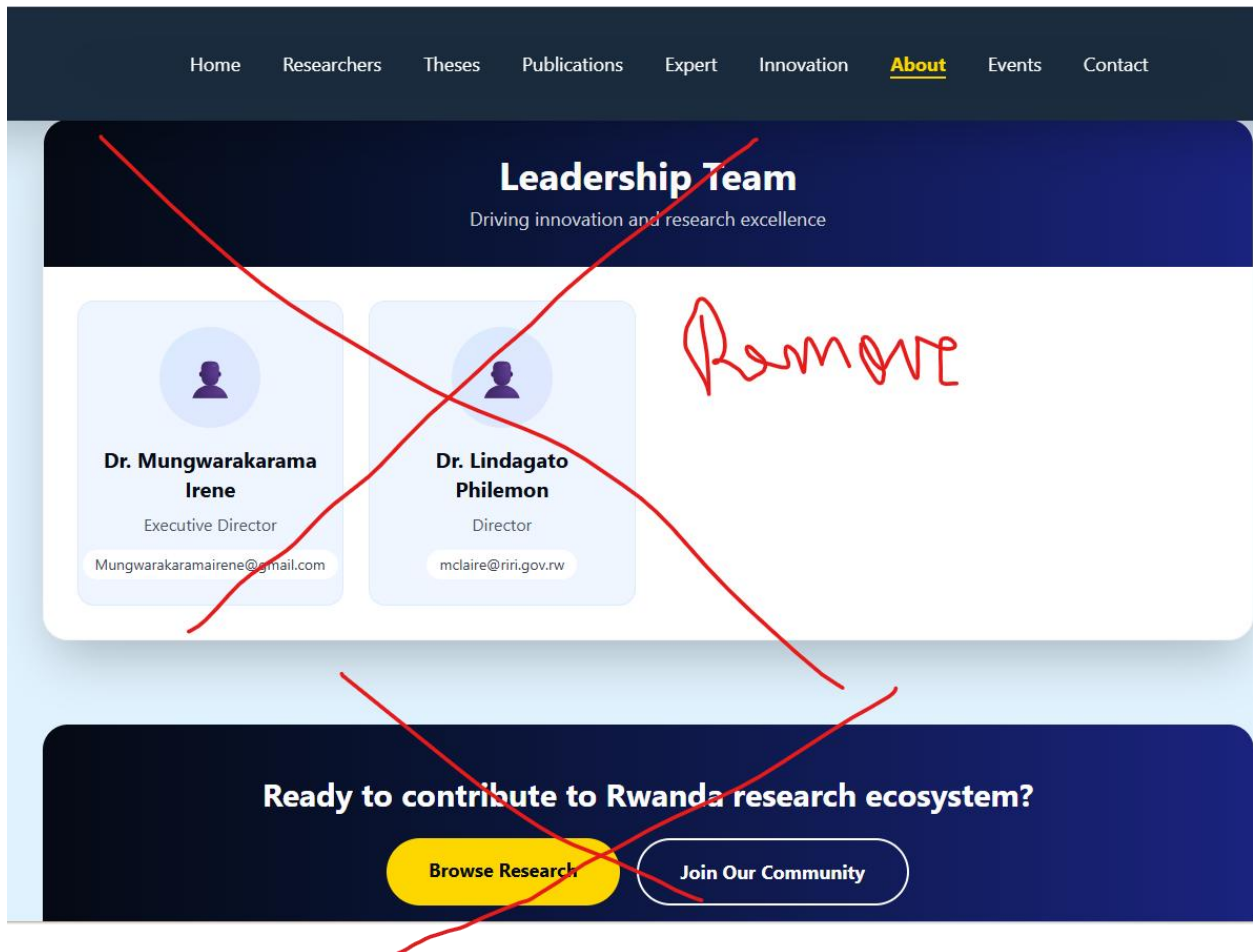

Test of Innovation page

1. Iyi point irasa na point 1 yo kuri **Test of Experts page**
2. **Upload innovation** function ntabwo ikora ibyo yakagombye gukora. Ibisobanuro bindi mwabireba kuri general comments page

Test of About us page

1. These parts are not necessary for now. Please, remove them.

2. Is it possible that you can give as option to fill text content without entering in the code environment?

Test of Events us page

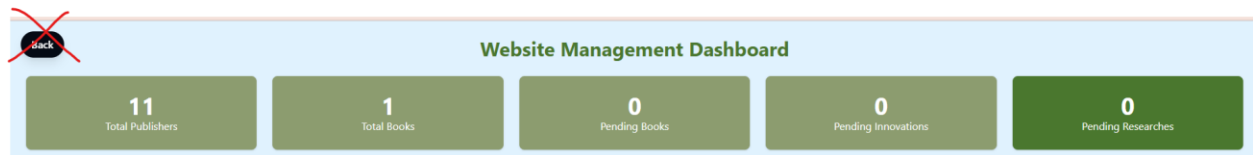

This function is not working, we cannot test it right now.

Test of Contact us page

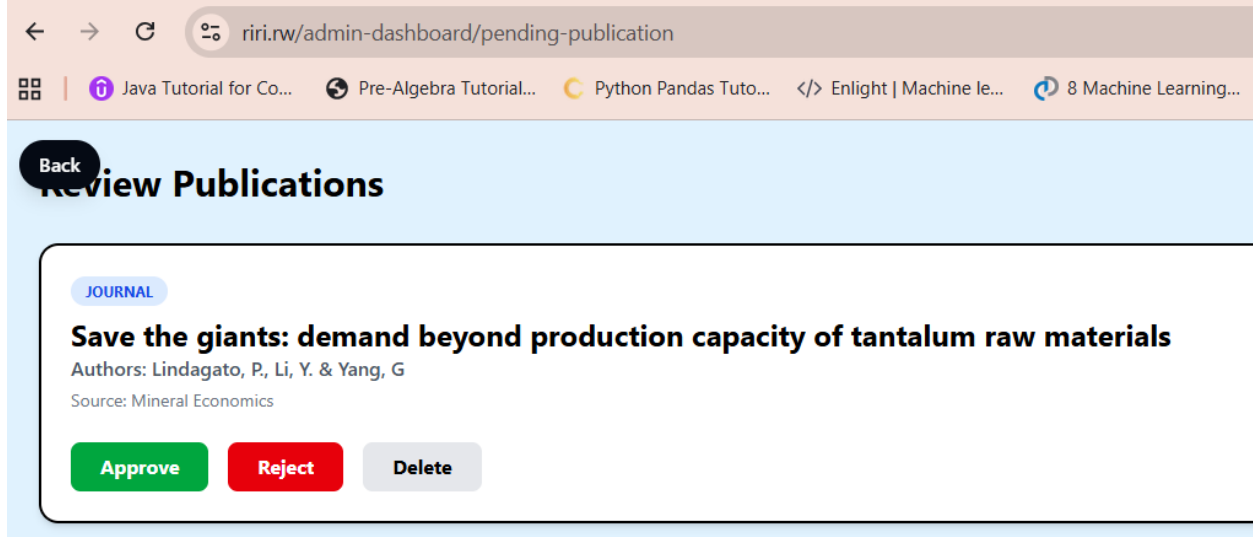

Ese nta email za riri.rw dufite? Niba urugero, support@riri.rw, info@riri.rw, ... Ndacyeka ko muri hosting plan byari birimo. Nibyo twakoresha tukava kuri gmail.

Test of Admin page

1. Please, remove that back button

2. This message “Review Publications” came after I finished to approve a research that had been added. Muratekereza bino bikwiye kuhaba? Ntagisobanuro byaba bifite

3. Nkoze back, mpita ngaruka kuri iyi page iri hasi. Nasubira kuri “Pending research” bakansubiza kuri page igaragara kuri iyi screenshot yo hejuru. Ntabwo bisobanutse.

User Management

General comments:

1. Forms zose ibyo uri kwandikamo cg upastinze mo ntushobora kubibona (Mubikosore. Birashoboka ko biba biri mu ibara ry' umweru)
2. Functions zose umu user ashobora gukora ntabwo zikora uko bikwiye. Umu user yakagombye gokora login ihita imujyana ku igikorwa yariho akora yashaka kuja mu ibindi akaba yabijyamo nyuma. Urugero: Niba narindi kuri **Researchers** cg **Publications** menu nka guest user ngashaka gukora Add a publication, byakagombye guhita bintwara kuri iyo page yo kongeraho new publication directly. Same goes to **Thesis, Innovation, and Events**.
3. Kubera ko functions nyinshi zitari gukora ibyo zakagombye kuba zikora neza, biratuma na admin features zidakora neza?
